GitHub: <https://github.com/mukthanayak2004>

## Professional Summary

Motivated Artificial Intelligence and Data Science undergraduate with a strong interest in Data Engineering, Machine Learning, and AI-driven solutions. Seeking an entry-level opportunity to apply my technical skills, contribute to innovative projects, and continuously grow as a technology professional.

## Education

B.E. Artificial Intelligence & Data Science, Coorg Institute of Technology (VTU)

CGPA: 7.66/10 | Graduation: 2027

Government PU College, Zaheerabad, Raichur (State Board) - 77.83%

Navodaya Public School (State Board) - 71.20%

## Technical Skills

- Python
- C (Basic)
- SQL
- HTML
- Machine Learning
- Power BI
- Microsoft Excel
- GitHub
- VS Code

## Projects

- **AI-Based Smart Interview Analyzer**

AI-driven interview evaluation system.

- **AI-Enabled Fraud Detection in UPI Transactions**

ML project for fraud detection.

- **Gig Connection**

Hackathon platform connecting clients and gig workers.

- **Smart Crop Recommendation System**

ML-based crop recommendation application.

- **Real-Time Disaster Intelligence System**

AI-assisted disaster monitoring platform.

## Certifications

- Networking and Web Technology
- Computational Theory: Language Principle & Finite Automata Theory
- Responsible AI: Principles, Practices and Applications
- Cyber Security Implications & Defences
- I/O Interfacing with Embedded Systems Workshop

## Hackathons & Events

- Fusion Techathon 3.0 – Participation
- NEXORA-2K26 National Hackathon – Participation
- State Level IDEATHON 2025

## Achievements

- 1st Place – Women's Hockey, Revels Cup 2026
- Represented Coorg Institute of Technology in VTU State-Level Hockey Tournament
- State-Level IDEATHON 2025 Participant
- National-Level Hackathon Participant (NEXORA-2K26)
